Sponsorship Levels-Hull of a Race 2026

Bronze-For a donation of \$100, your or company name will be on the sponsors list on the website and printed on the display board at the race.

Silver-For a donation of \$200 as listed above, plus name on back of race shirt and you will be offered a race shirt if you choose.

Gold-For a donation of \$500, above items and name will be at top of back of shirt in a larger font.

Platinum-For a donation of \$2000, all of above, plus your business logo will be added on a sleeve of the shirt, limited to the first 2- \$2000 sponsors. If we have more than two, a small banner will hang on the building across the start line.

Diamond- For a \$3000 or over donation a large banner with logo, will hang on the building across from the race start line in addition to above.

We had one large donation last year which spurred us to create a banner for such a generous contribution and add more sponsorship levels. We also have reached a point with many \$100 sponsorships, that they cannot be a legible font size on the back of shirts. It is a good problem to have, but the names on our shirts need to be legible and recognize the value of a dollar is not what it was 20 years ago! We welcome all donations of any amount and always will! Please join us in making our 20th anniversary of Hull of a Race, the most successful yet!!

As always, many thanks for your new or continued support as we provide for the continuing research in the fight against Parkinson's and the search for a cure. All proceeds are given directly to the ADPA solely for research. Newer treatments are life changing for some, and many believe we are nearing a potential cure. So exciting, you can offer hope to our Parkinson's heroes for a better tomorrow.
